

# Nokia 105

## Dual SIM

Giving more people a voice

### Key Features

- A perfect entry-level device for first time mobile phone buyers, the Nokia 105 Dual SIM helps people achieve more by bringing new mobile opportunities to their fingertips.
- Dual SIM offers seamless switching to help people manage their communications with ease by clearly separating the calls and messages between different SIMs.
- Memory storage for 2000 contacts.
- Enhanced voice and audio clarity, and access to music via an FM radio.
- Increased talk time and handy extras, including a torchlight, fitted as standard.
- Pre-loaded with Snake Xenzia and Bubble Bash 2. Also comes with four 'try and buy' games from Gameloft, allowing people to have fun on-the-go.
- Refreshed sleek, and durable design coming in three versatile colors; cyan, black and white.

Colors:
